Base Ball Tournament.

At the fair grounds, Saturday,

was held another successful base ball tournament.

The day was a good one and

some interesting games were played.

The last game was an excellent one be-

tween the rivals, Norway and West

Paris, and although Norway has won the

majority of games the West Paris team,

Saturday, strengthened by the addition

of Beare and Cole, proved too strong

for Norway.

The first game was between Norway

and Bolster's Mills, score 7 to 3 in favor

of Norway; second game, West Paris

and Turner, score 12 to one in favor of

West Paris; third game, West Paris and

Norway, score 4 to 1 in favor of West

Paris.

Low Pressure Mystery Solved.

The Norway Water Co. has been clean-

ing out the reservoir the past few days

and the water pressure has been kept up

by pumping direct into the pipes.

Chief Engineer Geo. F. Hathaway in

trying hydrants last week found the

pressure when the pumps were not run-

ning was not up to the requirements

even though the reservoir was full of

water.

This was a condition new to the man-

agers of the water company and showed

that water pipes were choked from reser-

voir leading to the village, hence the

drawing off of the water in search of the

cause which was easily found. The bell

crowd of the strainer over the inlet pipe

was broken and had dropped down to

the elbow and operated as a check valve.

It would permit the water to go into the

reservoir but would stop about one-third

or more of the water going out, hence

when larger draft of water was made the

pressure was reduced.

The reservoir was cleaned and the re-

servoir made and no doubt the required

pressure can easily be maintained as in

the past.

BUCKFIELD.

Ancient Hand-wrought Shears.

Most beautiful and impressive were the unveiling ceremonies at the farm of Webster Maxim in West Buckfield on Thursday. Mary and Martha Maxim, who composed and rendered with such superb effect the Dedication hymn, were born on this farm but have lived in Boston and Cambridge, Mass., since girlhood, Martha having traveled extensively in foreign lands. Many of their old neighbors and friends, who had not seen their faces or heard their voices before in many years, were moved to tears. To them, the most touching part of the event was the presenting to them by Sarah Morse, an old neighbor and valued friend, of a pair of ancient hand-wrought shears, which belonged to their great-grandmother, the wife of Lieut. Isaac Thayer, the Revolutionary Patriot, whose grave was being dedicated after more than 100 years.

What are we going to do brothers? Have we got to let these chauffeurs swoop down on us in our narrow roads causing our horses to run away, or have we got to keep our horses in the stable and take out through pasture and field to get to town. To Raise Money for Fire Loss.
Woodland Rebekah Lodge, No. 42, will hold a fair at Grange hall, Wednesday and Thursday, Aug. 21 and 22. The first day afternoon and evening and the second day in the afternoon. This fair is for the purpose of securing funds to help replace the property lost in the recent fire that destroyed nearly all the Lodge property. There will be fancy work, handkerchiefs, aprons, Rebekah cook books. By the way these cook books are well worth having in the kitchen of any cook and if you cannot attend the fair send and buy a cook book. There will also be home made candy, miscellaneous and art booths, ice cream and cake. We would suggest that out of town people get up a hayrack party and attend this fair. It would be a delightful way to spend an evening, besides helping the fire losers.

SUMMER.

A Young Life Ends.

We regret to record the death of Mabel Agnes Tuttle of Sumner, only child of Charles B. and Emmogene (Sturtevant) Tuttle, who passed to the heavenly home from the Sisters Hospital at Lewiston, Friday, July 26. She was born Sept. 2, 1888. Though she had been suffering from an attack of appendicitis for about five weeks, her friends apprehended but little danger, as indeed was the case with this disease, but another and a much more dreaded enemy of life and health developed and she died of uraemic poison.

She left her home on the morning of the 25th in wonderful spirits with remarkable courage, bidding her parents be of good cheer. She passed through the operation for appendicitis and was in a fair way to recovery. Her sudden demise was a terrible shock to her parents. The circumstances of her death are doubly sad as she was engaged to be married and preparations for the wedding and subsequent housekeeping were already in progress.

She had a quiet, gentle disposition and was held in high esteem by a large circle of friends. For several years she has been patiently cared for by her mother, who has been a state bordering on invalidism.

Funeral services were held at her late home the following Sunday conducted by Rev. J. H. Little of South Paris. Interment at Elmwood Cemetery, East Sumner. Among the floral tributes were:

Wreath of lilies and broad white ribbon with the motto, "Our Darling Mabel"—Mr. and Mrs. C. B. Tuttle.

FRYEBURG.

Albion P. Gordon.

Albion P. Gordon died sudden, Saturday. He was born in Fryeburg, May 20, 1836, and was the son of Henry and Eliza Barker Gordon. He attended the common schools in the town where he was born, and laid the foundation of a business education that, supplemented by his native wit and sound common sense, carried him successfully through a long and busy life.

He early took up land surveying and soon became expert, was frequently engaged in that occupation, particularly in finding and re-establishing land lines, and was at one time engaged in running the State line between Maine and New Hampshire. He was one of the best judges of the amount and value of standing timber, and for many years has been engaged in that business in addition to his other branches of business.

His keen perception and sound judgment in business matters have been well recognized by his townsmen, as well as by the citizens of his country and State. He has served in the Legislature as representative and senator and was a member of the Governor's council for two years. At the expiration of his term as member of that body he was appointed on the board of inspectors of prisons and jails, and reappointed to a second term, which he was serving at the time of his death.

Early in life he married Harriet Wiley of Lovell, who survives him.

Mrs. Mary Hastings and Alice Hastings go to Wisconsin to spend the winter. We are sorry to have them leave as they are always kind, polite and thoughtful of every one. Miss Hastings will be a great loss to the W. L. S. as she was a zealous worker and was very much interested in its welfare. We hope to see them back in the spring.

A Book Bazar given by the ladies of the New Church on the grounds of N. C. Hall was a great success. The grounds were enclosed by young white birch trees and lighted with Japanese lanterns. The booths were all decorated in white, each one representing a book. The arrangement of the grounds was under the direction of Mrs. Lyman Charles assisted by Mrs. S. S. Bradley, Miss Gordon and others.
